Project List

Operating theatres for the Hospital "Santo Spirito" of Pescara.

Purchaser: ASL PESCARA

Location: Pescara (PE), Italy

Designer: Prisma Engineering Srl

Period: 2021 – design in progress

Activities: Definitive /Executive design; Safety coordination during design

Area for the preparation of radiopharmaceuticals according to safety and quality Regulations in Nuclear Medicine (NBP-MN) – Lower floor – Pav. 15

Purchaser: Azienda Ospedaliero-Universitaria Careggi

Location: Firenze (FI), Italy

Designer: Prisma Engineering Srl

Period: 2021 – design in progress

Activities: Executive design

Completion of first, second and third floor – Building East - Dolo Hospital.

Purchaser: ULSS N.3 SERENISSIMA

Location: Dolo (VE), Italy

Designer: Prisma Engineering Srl - IQT Consulting – Ing. Carlo Rizzieri

Period: 2021 – design in progress

Activities: Definitive design.

Completion and activation of GMP laboratories for the realization of a Centre for Diabetes Cell Therapy within building C of the Biomedical Campus “Pietro d'Abano” in Via Orus, Padova, Italy

Purchaser: Azienda Ospedaliera di Padova

Location: Padova (PD), Italy

Designer: Prisma Engineering Srl

Period: 2021 – 2022

Activities: Executive design of civil works, MEP, Project Management safety coordination during design phase and execution of work

**New Nuclear Medicine department for the hospital
P.O. Nuovo Ospedale Apuano (MS)**

Purchaser: AZIENDA USL TOSCANA NORD OVEST
Location: Massa (MS), Italy
Designer: Prisma Engineering Srl
Period: 2020
Activities: Technical and economical feasibility Study.

Clean room modifications for repositioning of cells

Purchaser: COMECER S.p.A.
Location: Casarano (LE), Italy
Designer: Prisma Engineering Srl
Period: 2020
Activities: Definitive and executive design of civil works and MEP. Project Management and safety coordination

**Design and realization of a radiopharmaceutical
laboratory for S. Cataldo Hospital within the CNR
research centre– Pisa.**

Purchaser: Fondazione Toscana G. Monasterio
Location: Pisa, Italy
Designer: Prisma Engineering Srl
Period: 2019 – realization in progress
Activities: Executive design of civil and structural work, MEP. Realization of work. Safety coordination during design phase.

**New Radiotherapy ward for the “San Giacomo”
Hospital in Castelfranco Veneto (TV)**

Purchaser: Istituto Oncologico Veneto IRCCS
Location: Castelfranco Veneto (TV), Italy
Designer: Prisma Engineering Srl
Period: 2019 – 2020
Activities: Definitive design of civil, structural and architectural works, MEP.

Third and Fourth plot of Udine Hospital.

Purchaser: Azienda Ospedaliero - Universitaria Santa Maria della Misericordia di Udine

Location: Udine (UD), Italy

Designer: Politecnica (group leader) – ETS Spa – Cooproggetti scarl - Prisma Engineering Srl – Pool Professionale Milano Srl

Period: 2019 – in progress

Activities: Construction Management, assistance, accounting, safety coordination during design and work, assistance with testing, assistance and support with obtaining all authorizations

Maintenance work – partial replacement of elevator systems –San Paolo Hospital, Milano

Purchaser: ASST Santi Paolo e Carlo

Location: Milano (MI), Italy

Designer: Prisma Engineering Srl

Period: 2019

Activities: Definitive and executive design of civil works and electrical systems serving the elevators

New pavillion for hospitalization and ambulatory activities within Cittadella Hospital and for redevelopment of the affected area

Purchaser: ULSS N.6 EUGANEA

Location: Cittadella (PD), Italy

Designer: LFA Srl (group leader) – Prisma Engineering Srl
F-Project srl – Arch. Giulio Campello – Dr. Pietro Semenza

Period: 2018 – 2022

Activities: Technical Economical Feasibility Study. Definitive design.

New Hospital Centre of Trentino in location Al Desert, Trento

Purchaser: Guerrato SpA

Location: Trento (TN), Italy

Designer: RTP: RPA Srl; Prisma Engineering Srl, Studio Plicchi

Period: 2018 – in progress

Activities: Preliminary design of MEP, fire prevention and safety coordination.

General implementation of infrastructures, updating to current regulations and safety measures in work places and extraordinary maintenance work on elevators - San Carlo Hospital, Milano.

Purchaser: ASST Santi Paolo e Carlo

Location: Milano (MI), Italy

Designer: Prisma Engineering Srl

Period: 2018 – 2019

Activities: Definitive and executive design of civil works and electrical systems serving the elevators

Restructuring and updating to current regulations of the public health centre of Via Dante - San Giovanni in Persiceto (BO)

Purchaser: AUSL Bologna

Location: San Giovanni in Persiceto (BO), Italy

Designer: Prisma Engineering Srl

Period: 2018

Activities: Definitive and executive MEP design

Updating of Radiochemistry laboratory following the repositioning of existing cells and installation of new cells for I.E.O. European Institute of Oncology - Milan

Purchaser: COMECER S.p.A.

Location: Milan (MI), Italy

Designer: Prisma Engineering Srl

Period: 2017 - 2018

Activities: Realization of civil works and MEP

Enhancement of the research infrastructures GMP Facility, research laboratories and diagnostics and treatment services of ISMETT (Mediterranean Institute for Transplants and highly specialized Treatments)

Purchaser: IRCCS ISMETT

Location: Palermo (PA), Italy

Designer: Prisma Engineering Srl

Period: 2017 – in progress

Activities: Definitive design of civil works, MEP and fire prevention system. Executive design in progress.

Design & Build of the Paola Primary Health Care Southern Regional Hub using environmental friendly construction materials and products. 60 beds.

Purchaser: Ergon Projects Ltd

Location: Paola, Malta

Designer: Prisma Engineering Srl, Fontana Atelier

Period: 2017 – in progress

Activities: MEP design

Structural and functional improvement of the Intensive Care Unit – first floor, building DEA - San Carlo Hospital, Milano.

Purchaser: ASST Santi Paolo e Carlo

Location: Milano (MI), Italy

Designer: Prisma Engineering Srl

Period: 2017

Activities: Executive MEP design.

Evaluation of mechanical systems and modification of air conditioning system for Salam Cardiac Surgery Center, Khartoum, Sudan

Purchaser: EMERGENCY NGO ONLUS

Location: Khartoum, Sudan

Designer: Prisma Engineering Srl

Period: 2017 – 2018

Activities: Executive design.

Executive design variation for the realization of a new Magnetic Resonance 3T within the area “Ex Infectious Diseases” Monza San Gerardo Hospital

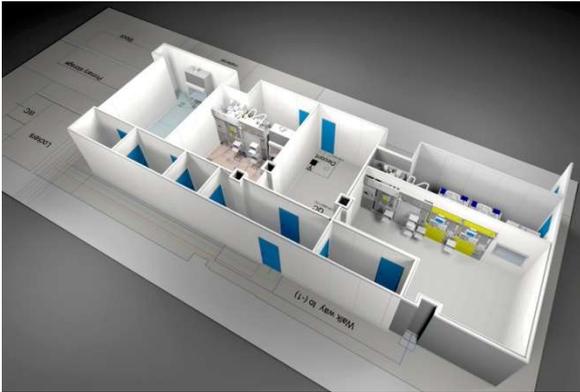

Purchaser: Università degli Studi di Milano Bicocca

Location: Monza (MB), Italy

Designer: Prisma Engineering Srl

Period: 2017 – 2019

Activities: Executive design of architectural and civil works, mechanical and electrical systems.

Design and realization of n. 4 GMP radiopharmaceutical laboratories for the “Universitair Ziekenhuis” - Brussels

Purchaser: UZ Brussel - University of Brussels

Location: Brussels, Belgium

Designer: Prisma Engineering Srl

Period: 2016 – 2019

Activities: Definitive and executive design of architectural, structural, MEP, Project Management.

Design and realization of Radiotherapy ward – Monselice Hospital (PD) with 5 bunkers for accelerators, tomotherapy and CAT

Purchaser: ULSS N.6 EUGANEA (ex ULSS N.17)

Location: Monselice (PD), Italy

Designer: Prisma Engineering Srl

Period: 2016 – 2018

Activities: Definitive and executive design of architectural and civil works, electrical and mechanical systems and equipment layout for bunkers.

Technical and economical feasibility study for the updating of fire prevention – Piove di Sacco Hospital (PD)

Purchaser: Azienda ULSS N.6 Euganea

Location: Piove di Sacco (PD), Italy

Designer: Prisma Engineering Srl

Period: 2016-2018

Activities: Feasibility Study

New Thermal Power Station for the Plastic Surgery ward of ARNAS – “Civico – Di Cristina – Benfratelli” Hospitals – Palermo.

Purchaser: Guerrato S.p.A.

Location: Palermo (PA), Italy

Designer: Prisma Engineering Srl

Period: 2016 – 2017

Activities: Executive design of civil works, MEP and fire prevention system.

Executive design for the installation of 2 Magnetic Resonances 3T within San Daniele del Friuli Hospital and Tolmezzo Hospital

Purchaser: Azienda per l'Assistenza Sanitaria N°3 "Alto Friuli – Collinare – Medio Friuli"

Location: San Daniele del Friuli and Tolmezzo (UD), Italy

Designer: Prisma Engineering Srl

Period: 2016 – 2017

Activities: Executive design of architectural and civil works, mechanical and electrical systems and equipment layout.

Design and realization of a radiopharmaceutical laboratory within San Bortolo Hospital - Vicenza

Purchaser: ULSS N.6 VICENZA

Location: Vicenza, Italy

Designer: Prisma Engineering Srl

Period: 2015 – 2017,

Activities: Definitive and executive design of architectural and civil works, structural, electrical and mechanical systems.

Realization of the new 450 beds hospital of Vibo Valentia

Purchaser: Vibo Hospital Service S.p.A.

Location: Vibo Valentia, Italy

Designer: Prisma Engineering Srl, Sintagma srl, Studio Angotti srl, Studio Andreatta & Partners srl

Period: 2015 – in progress

Activities: Preliminary, definitive and executive design of electrical and mechanical systems, MEP for large equipment for image diagnostics and cancer centre

Executive design and execution of works for the restructuring of the cystic fibrosis unit within the Integrated University Hospital of Verona

Purchaser: Azienda Ospedaliera Universitaria Integrata di Verona

Location: Verona, Italy

Designer: Prisma Engineering Srl

Period: 2015 – 2016

Activities: Executive design of architectural and civil works, structural works, electrical and mechanical systems

Radiopharmaceutical preparation unit for cancer treatment within Piove di Sacco Hospital (PD)

Purchaser: ULSS N.16 PADOVA

Location: Piove di Sacco (PD), Italy

Designer: Prisma Engineering Srl

Period: 2015 – 2016

Activities: Executive design of architectural and civil works, structural, MEP, equipment layout, clean room and safety coordination during design phase. Supervision of building site and testing.

Installation of a new external elevator for the local healthcare facilities for psychiatric treatment in Pullir di Cesiomaggiore (BL)

Purchaser: ULSS N.2 di Feltre

Location: Pullir di Cesiomaggiore (BL), Italy

Designer: Prisma Engineering Srl

Period: 2015 - 2016

Activities: Preliminary, definitive and executive design of civil works and electrical systems, safety coordination during design and execution of works, project management, accounting and final testing

Realization of the new healthcare centre “Casa della Salute” in Modena – Primary Care Unit

Purchaser: Bilfinger Sielv Facility Management Srl; CFC Soc. Coop.

Location: Modena (MO), Italy

Designer: RTP: Prisma Engineering Srl; AGE Srl; Iconia Srl

Period: 2015

Activities: Definitive design during tender phase

Design of civil works and electrical and mechanical systems for extension of a pharmacy preparation laboratory within the “Farmacia Campedello” shop premises - Vicenza

Purchaser: Farmacia Campedello

Location: Vicenza, Italy

Designer: Prisma Engineering Srl

Period: 2015 – 2016

Activities: Definitive and executive design.

New barriered animal facility, ground floor building F, of the research facilities in Via Orus, Padova

Purchaser: Università degli Studi di Padova

Location: Padova, Italy

Designer: Prisma Engineering Srl

Period: 2015

Activities: Definitive and executive design of civil works, structural works, and electrical and mechanical systems. Project management

Design of a new Animal Facility of approx 300 m² on the 4th floor of Building B - building complex “ex Regina Elena” – Università La Sapienza, Rome

Purchaser: Università La Sapienza di Roma

Location: Rome, Italy

Designer: Prisma Engineering Srl

Period: 2015

Activities: Executive design of civil works, mechanical and electrical systems

Executive design and execution of works for the realization of the new Dialysis Centre, Day Surgery and ambulatories within S. Donà di Piave Hospital (Venice)

Purchaser: Guerrato S.p.A.

Location: S. Donà di Piave (VE), Italy

Designer: Prisma Engineering Srl, Prof. Plicchi, Arch. Rizzoli

Period: 2014 – 2016

Activities: Executive design of electrical and mechanical systems

Updating of fire prevention of the local healthcare facilities for psychiatric treatment in Pullir di Cesiomaggiore – Feltre (BL)

Purchaser: ULSS N.2 di Feltre

Location: Feltre (BL), Italy

Designer: Prisma Engineering Srl

Period: 2014 – 2016

Activities: Project Management and Safety Coordination.

New territorial premises of “Istituto Zooprofilattico sperimentale delle Venezie” – Verona, with new laboratories, clean room BLS3

Purchaser: Bilfinger Sielv Facility Management Srl
Location: Buttapietra (VR), Italy
Designer: RTP: Prisma Engineering Srl; GPA Ingegneria Srl; Iconia Srl
Period: 2014 – 2016
Activities: Definitive and executive design of civil works, structural works, sanitary water system, mechanical and electrical installations, equipment lay out

New Magnetic Resonance and realization of new medical reporting area – first phase.

Purchaser: ULSS N.3 Bassano del Grappa
Location: Bassano del Grappa (VI), Italy
Designer: Prisma Engineering Srl
Period: 2014
Activities: Executive design of mechanical, electrical and special systems

Design of electrical and mechanical systems for a Centre for Pediatric Surgery - Kampala, Uganda

Purchaser: EMERGENCY N.G.O.
Location: Kampala, Uganda
Designer: Prisma Engineering Srl, RPBW Renzo Piano Building Workshop, Milan Ingegneria srl, Studio Tamassociati
Period: 2013 – 2018
Activities: Preliminary, definitive and executive design of electrical and mechanical systems

**Heating management and maintenance of technological systems – Palermo Hospitals “Civico e Benefratelli” and “Di Cristina”.
Qualification and new tri-generation plant.**

Purchaser: Guerrato Spa
Location: Palermo (PA), Italy
Designer: Prisma Engineering Srl
Period: 2013
Activities: Definitive and executive design of civil works, MEP

New operating theatres for the Oncology department of Zlitan Teaching Hospital, Libya

Purchaser: Ministry of Health, Libya

Location: Zlitan, Libya

Designer: Prisma Engineering Srl

Period: 2013 - 2014

Activities: Definitive and executive design of architecture, structures, mechanical and electrical systems

New animal facility, ground floor building F, of the research facilities in Via Orus, Padova

Purchaser: VIMM Venetian Institute of Molecular Medicine; Università degli Studi di Padova; Azienda Ospedaliera di Padova

Location: Padova, Italy

Designer: Prisma Engineering Srl

Period: 2013 - 2015

Activities: Project Management and coordination of safety.

Executive design of all work and supplies needed for the realization of Asiago Hospital

Purchaser: Guerrato SpA

Location: Asiago (VI), Italy

Designer: RTP: Prisma Engineering Srl; Favero e Milan Ingegneria Spa; Alfaluda Srl; Prof. Ing. Gianni Plicchi

Period: 2012-2013

Activities: General coordination, executive design of architectural and civil works, electrical, sanitary water and mechanical systems.

New Hospital in Livorno

Purchaser: Guerrato Spa

Location: Livorno (LI), Italy

Designer: RTP: Prof. Ing. Gianni Plicchi; G.P.A. Ingegneria Srl; Prisma Engineering Srl; Studio Hydrogeo; Ing. Marco Ciccone

Period: 2012

Activities: Preliminary design of architectural and civil works, electrical, sanitary water and mechanical systems, equipment layout.

San Gerardo di Monza Hospital - realization of new Nuclear Medicine laboratories and animal facilities.

Purchaser: Università degli Studi di Milano Bicocca
Location: Monza (MB), Italy
Designer: Prisma Engineering Srl
Period: 2010-2012 design phase
Period: 2012 - project management, 2018 construction completed
Activities: Definitive design of architectural and civil works, structural works electrical and mechanical systems. Project Management.

Updating of the obstetrics ward, Azienda Ospedaliera S. Maria degli Angeli - Pordenone

Purchaser: Set Srl
Location: Pordenone (PN), Italy
Designer: Prisma Engineering Srl
Period: 2012
Activities: Preliminary, definitive and executive design of electrical and mechanical systems.

Updating of fire prevention of the local healthcare facilities for psychiatric treatment in Pullir di Cesiomaggiore – Feltre (BL)

Purchaser: ULSS n. 2 di Feltre
Location: Feltre (BL), Italy
Designer: Prisma Engineering Srl
Period: 2012
Activities: Executive design.

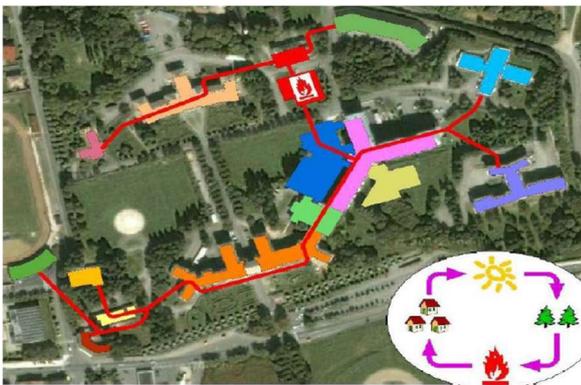

Extension and restructuring of Faenza Hospital – new Eastern court – realization of stairwell and transfer and extension of emergency area

Purchaser: AUSL di Ravenna
Location: Faenza (RA), Italy
Designer: Prisma Engineering Srl
Period: 2012 - 2014
Activities: Architectural and structural design, executive design of electrical and mechanical systems.

Realization of the Cell Factory laboratories within the advanced biomedical research facilities “Fondazione Biomedica Avanzata”, Via Orus 2, Padova

Purchaser: Azienda Ospedaliera di Padova – Università degli Studi di Padova – VIMM Venetian Institute of Molecular Medicine
Location: Padova, Italy
Designer: Prisma Engineering Srl
Period: 2012 – 2014
Activities: Design of specialist equipment, Project Management, accounting.

Re-qualification of the urban Energy systems: district heating and improvement of Energy consumption in the public buildings of Feltre Hospital

Purchaser: ULSS n. 2 di Feltre
Location: Feltre (BL), Italy
Designer: Prisma Engineering Srl
Period: 2011
Activities: Feasibility study and preliminary design

Design of electrical and mechanical systems for the construction of the so-called “New Building” within the premises of the pharmaceutical company Zambon Farmaceutica – via della Chimica 9, Vicenza

Purchaser: Zambon Farmaceutica S.p.A.
Location: Vicenza, Italy
Designer: Prisma Engineering Srl
Period: 2011 - 2014
Activities: Executive design of electrical and mechanical systems.

Architectural and installations design of new university building to be used as Animal Facility, BLS₃ laboratories, within the Chemical Biomedical Centre of Ferrara University

Purchaser: Università degli Studi di Ferrara
Location: Ferrara, Italy
Designer: Prisma Engineering Srl;
Period: 2011 – 2015
Activities: Definitive and executive design, operations management, safety coordination during execution of works.

Cell Factory laboratories (Class B GMP and BLS3 Class C GMP) within the advanced biomedical research facilities “Fondazione Biomedica Avanzata”, Via Orus 2, Padova

Purchaser: Università degli Studi di Padova, Azienda Ospedaliera di Padova, VIMM Venetian Institute of Molecular Medicine

Location: Padova, Italy

Designer: Prisma Engineering Srl

Period: 2011 - 2012

Activities: Definitive and executive design of architectural design, civil works and electrical and mechanical systems.

Fire prevention of the local healthcare facilities for psychiatric treatment in Pullir di Cesiomaggiore – Feltre (BL)

Purchaser: ULSS n. 2 di Feltre

Location: Pullir (BL), Italy

Designer: Prisma Engineering Srl

Period: 2010

Activities: preliminary fire prevention design and obtainment of authorization from local fire brigade

New pharmaceutical unit for the preparation of cancer medicine within Cancer Center Busonera Hospital - Padova

Purchaser: I.O.V. Istituto Oncologico Veneto di Padova

Location: Padova (PD), Italy

Designer: Prisma Engineering Srl

Period: 2010 - 2011

Activities: Architectural, civil works and MEP design, Project Management.

Updating work of the Core Lab laboratory for Reggio Emilia Hospital

Purchaser: Azienda Ospedaliera di Reggio Emilia

Location: Reggio Emilia (RE), Italy

Designer: Prisma Engineering Srl

Period: 2010

Activities: Definitive and executive design of architectural and civil works, MEP and healthcare engineering.

Realization of a new centralized laboratory for the San Martino Hospital - Genova

Purchaser: Azienda Ospedaliera Universitaria “San Martino”
Location: Genova, Italy
Designer: Prisma Engineering Srl
Period: 2010
Activities: Definitive design during tender phase

Design of architectural and structural work, electrical and mechanical systems for the 120 bed Public Hospital of Az Zentan - Libya

Purchaser: Al Usool al Aqariya for General Contracting Co.
Location: Az Zentan, Libya
Designer: Prisma Engineering Srl
Period: 2010
Activities: Preliminary and definitive design of civil and structural works, electrical and mechanical systems, equipment lay out, project management

Design of new operating ward, new intensive care, new radiology department, new emergency room and new access ways for the 600 beds Hospital in Feltre. ISO 7 and ISO 5.

Purchaser: ULSS n. 2 di Feltre
Location: Feltre (BL), Italy
Designer: Prisma Engineering Srl
Period: 2009 - 2011
Activities: Definitive and executive design of architectural, civil and structural works, MEP, equipment lay out and healthcare engineering.

New Central Hospital for Acute Illnesses - Monselice. The hospital is made up of three areas, each with a series of departments: analysis laboratories, radiology, poly-ambulatories, hospitalization ward and operating theatres

Purchaser: ULSS n. 17 di Monselice – Este (PD)
Location: Monselice (PD), Italy
Designer: RTP: Prisma Engineering Srl; Net Engineering SpA; Arteco Srl; TecnarC
Period: 2009 - 2010
Activities: Architectural design, Civil Works, structural works, MEP design, equipment lay out, healthcare engineering

Design of new ward with two operating theatres for Noventa Vicentina Hospital

Purchaser: ULSS n. 6 di Vicenza

Location: Noventa Vicentina (VI), Italy

Designer: Prisma Engineering Srl

Period: 2009

Activities: Definitive and executive design of architectural design, civil and structural works, MEP, healthcare engineering.

Design of mechanical systems for the new Proton Therapy Centre – Trento, a highly prestigious centre including the latest technologies applied in cancer treatment with PET-CT, Magnetic Resonance, ambulatories, day hospital. ISO 7.

Purchaser: Hydrostudio Consulting Engineering Srl

Location: Trento (TN), Italy

Period: 2008 – 2010

Designer: Prisma Engineering Srl

Activities: Definitive and executive design of mechanical systems.

New cyclotron, radiopharmaceutical production unit and PET department within Tripoli Medical Center - Libya. Classification class B.

Purchaser: TMC on account of Al Usool Al Aqariya for General Contracting Co.

Location: Tripoli, Libya

Designer: Prisma Engineering Srl

Period: 2008 - 2009

Activities: Preliminary, definitive and executive design of architectural design, civil and structural work, MEP, medical equipment and Project Management, construction management

Updating of installations on 4th and 6th floor of site 2 - Camposampiero Hospital

Purchaser: ULSS n.15 - Cittadella

Location: Camposampiero (PD), Italy

Designer: Prisma Engineering Srl

Period: 2008

Activities: Executive design of mechanical systems

Construction and management of technological station, cogeneration system, technological ducts, service centre, laboratories, district heating system and management of installations for the university hospital “Azienda Ospedaliera Universitaria S. Maria della Misericordia” in Udine

Purchaser: Cofathec S.p.A.

Location: Udine (UD), Italy

Designer: Prisma Engineering Srl

Period: 2008

Activities: Definitive design of civil works, structures, electrical, mechanical and sanitary water systems during tender phase.

Design of new operating theatres on the 3rd floor of the IOV Veneto Oncology Institute – Padova. ISO 5.

Purchaser: Gruppo SAE S.p.A per l’Azienda Ospedaliera di Padova

Location: Padova, Italy

Designer: Prisma Engineering Srl

Period: 2007

Activities: Executive design of architectural and civil works, MEP.

Design of new pharmaceutical unit for the preparation of cancer medicine within Veneto Oncology Institute (IOV) – Padova. ISO 7.

Purchaser: Gruppo SAE S.p.A per l’Azienda Ospedaliera di Padova

Location: Padova (PD), Italy

Designer: Prisma Engineering Srl

Period: 2007

Activities: Executive design of architectural and civil works, MEP.

Cyclotron for the production of isotopes for tomography with emission of positrons; Clean Room for radiopharmaceutical production facility (GMP) within S. Gerardo di Monza Hospital

Purchaser: Università degli Studi di Milano - Bicocca

Location: Monza (MB), Italy

Designer: Prisma Engineering Srl

Period: 2006 - 2007

Activities: Executive design of civil and structural works, electrical and mechanical systems, design of medical equipment

New Central Analysis Laboratory of Belcolle Hospital, equipped with automatic diagnostics systems

Purchaser: ASL Viterbo

Location: Belcolle (VT), Italy

Designer: Prisma Engineering Srl

Period: 2006 - 2007

Activities: Definitive and executive design of architectural design, civil works and electrical and mechanical systems.

Extension and updating to current regulations of the cosmetic surgery facilities in Via S. Lucia - Padova, with day surgery and two operating theatres

Purchaser: Pallaoro Medical Laser

Location: Padova, Italy

Designer: Prisma Engineering Srl

Period: 2005

Activities: Preliminary, definitive and executive design of civil works, electrical and mechanical systems, Project Management, coordination of safety.

Lay-out and installations for the new analysis, diagnostics and clinical chemistry laboratories for Giustiniano Hospital - Padova

Purchaser: Azienda Ospedaliera di Padova

Location: Padova (PD), Italy

Designer: Prisma Engineering Srl

Period: 2004

Activities: Design of lay-out and MEP

Restoration and updating to current regulations of buildings B, C, D, E, F within the advanced biomedical research facilities “Fondazione Biomedica Avanzata”, Padova

Purchaser: Università degli Studi di Padova

Location: Padova, Italy

Designer: Prisma Engineering Srl

Period: 2000-2004

Activities: Preliminary, definitive and executive design. Project Management, coordination of safety

New neo-natal care unit called Temporary Medical Birthing Centre, with operating theatres and hospitalization rooms, inside the American Military Base “Caserma Ederle” - Vicenza

Purchaser: Andriolo Srl

Location: Vicenza (VI), Italy

Designer: Prisma Engineering Srl

Period: 2004

Activities: Executive design of architectural and civil works, MEP.

New highly automatized and complex analysis laboratory for Baggiovara Hospital. B.L.U. – Baggiovara Unified Laboratory covers Modena’s medical district with 10 million tests carried out per year

Purchaser: Beckman Coulter SpA per l’AUSL Modena

Location: Baggiovara (MO), Italy

Designer: Prisma Engineering Srl

Period: 2003

Activities: Architectural Design, structural design, MEP design, equipment lay out and Project Management

New laboratories within the pharmaceutical company Eurand S.p.A. – Trieste. Clean room ISO 5.

Purchaser: Eurand Spa

Location: Trieste (TS), Italy

Designer: Prisma Engineering Srl

Period: 2003

Activities: Design and Project Management.

Updating to current fire prevention regulations of the “treatment” ward – Padova Hospital

Purchaser: Università degli Studi di Padova

Location: Padova (PD), Italy

Designer: Prisma Engineering Srl

Period: 2003

Activities: Fire prevention dossier

Restructuring of the first floor of Busonera Hospital – Padova – as Oncologic Day Hospital

Purchaser: Icom Engineering S.p.A.

Location: Padova (PD), Italy

Designer: Prisma Engineering Srl

Period: 2003

Activities: Executive design of architectural and civil works, MEP.

New Magnetic Resonance for the Oncology Department of Dolo Hospital

Purchaser: SIC

Location: Dolo (VE), Italy

Designer: Prisma Engineering Srl

Period: 2002

Activities: Executive design of architectural and civil works, MEP, healthcare engineering.

Diagnostic Imaging – hemodynamic ambulatory – for Mirano Hospital, design and installation

Purchaser: SIC

Location: Mirano (VE), Italy

Designer: Prisma Engineering Srl

Period: 2002

Activities: Executive design and installation of Magnetic Resonance, CAT.

Updating to current fire prevention standards of Cardiology and Cardiac Surgery wards - Padova Civil Hospital

Purchaser: Azienda Ospedaliera di Padova

Location: Padova (PD), Italy

Designer: Prisma Engineering Srl

Period: 2001

Activities: Fire prevention dossier.

Restructuring of Infectious Diseases Hospital – Padova – for infectious and immune-compromised patients

Purchaser: Icom Engineering S.p.A

Location: Padova (PD), Italy

Designer: Prisma Engineering Srl

Period: 2000

Activities: Executive design of architectural and civil works, MEP, project management.

Restructuring of the second floor of Busonera Hospital – Padova – as Oncologic Day Hospital

Purchaser: Icom Engineering S.p.A.

Location: Padova (PD), Italy

Designer: Prisma Engineering Srl

Period: 2000

Activities: Executive design of architectural and civil works, MEP.

New hospital kitchens for Dolo Hospital

Purchaser: ULSS n.13 di Dolo-Mirano

Location: Dolo (VE), Italy

Designer: Prisma Engineering Srl

Period: 2000

Activities: Executive design of architectural and civil works, MEP.

Restructuring of building “G” with creation of laboratories, animal facility and offices within the advanced biomedical research facilities “Fondazione Biomedica Avanzata”, Padova

Purchaser: Università degli Studi di Padova – Azienda Ospedaliera di Padova

Location: Padova (PD), Italia

Design: Prisma Engineering Srl

Period: 1998 - 2000

Activities: Executive design
